

WuHan HuaSweet Co., Ltd.

The **Largest** Neotame
Manufacturer in The World

Designed Long-term Annual
Capacity of **1,000 tons**

Neotame is a zero calorie artificial sweetener

It's a perfect taste of sugar without any aftertaste.

Neotame is 7000–13000 times sweeter than sugar and has high stability

Neotame is safety metabolism and non-absorbent, which is edible for the diabetes, obese and phenylketonuria patients.

Neotame is considered as the most perfect sweetener globally for use in food, beverage, dairy, bakery, and pharmaceutical applications.
